**Favor TechConsulting, LLC (FTC)** is seeking talented Business Analysts with extensive Veterans Affairs experience (VA).

## Essential Job Description & Responsibilities

- Generate standard or custom reports summarizing business, financial, or economic data for review by executives, managers, clients, and other stakeholders
- Identify or monitor current and potential customers, using business intelligence tools
- Maintain or update business intelligence tools, databases, dashboards, systems, or methods
- Maintain library of model documents, templates, or other reusable knowledge assets
- Create business intelligence tools or systems, including design of related databases, spreadsheets, or outputs
- Disseminate information regarding tools, reports, or metadata enhancements

## Required Minimum Qualification

- Bachelor's Degree in Business Administration, Management, Economics or related fields
- 5+ years of work experience related to federal contracting
- Strong verbal and written communication skills

In addition, U.S Citizenship is required. Applicants selected will be subject to a government security investigation and must meet eligibility requirements for access to classified information and be able to obtain a government-granted security clearance. Individuals may also be subject to a background investigation including, but not limited to criminal history, employment and education verification, drug testing, and creditworthiness.

Favor TechConsulting is an Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, national origin, marital status, disability, veteran status, sexual orientation, or genetic information.
