

Favor TechConsulting, LLC (FTC) a CMS SPARC prime, is in search of a Solutions Architect with extensive Centers for Medicare and Medicaid Services (CMS) experience. Superior proposal writing skills and exceptional knowledge of CMS applications.

Essential Job Functions & Responsibilities

- Manage all aspects of internal and external client projects related to in-house software development
- Act as a subject matter expert in software development
- Manage multiple projects involving software development
- Collaborate in teams to convert the requirements into an architecture and design blueprint for the solution being created
- Ensure the team understands and meets the production cycle on projects
- Ensure proper documentation is maintained and required schedules updated
- Additional responsibilities as assigned

Required Minimum Qualification

- Bachelor's degree or a related field required; Master's degree preferred
- 8 years of related experience required
- Experience with .Net (MVC, C, C++, C#), PHP, Java, and other related programming languages
- Must be able to travel based on client and business needs

Desired Qualifications

- IT Service Management (ITSM) experience and/or certifications strongly preferred
- Demonstrated knowledge of healthcare policies and practices in Medicare and Medicaid
- Strong analytical and problem solving skills
- Demonstrated ability to communicate verbally and in writing with all levels of an organization, both internally and externally
- Detail oriented with a high degree of accuracy

In addition, U.S Citizenship is required. Applicants selected will be subject to a government security investigation and must meet eligibility requirements for access to classified information and be able to obtain a government-granted security clearance. Individuals may also be subject to a background investigation including, but not limited to criminal history, employment and education verification, drug testing, and creditworthiness.

Favor TechConsulting is an Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, national origin, marital status, disability, veteran status, sexual orientation, or genetic information.
