

Favor TechConsulting, LLC (FTC) is seeking talented Compliance Managers with extensive Department of Veterans Affairs (VA) experience.

Essential Job Functions & Responsibilities

- Experience in ensuring that every person and entity are adhering to Veterans Affairs (VA) rules and regulations
- Conduct internal reviews or audits to ensure that VA compliance procedures are followed
- Direct internal investigations of compliance issues
- Assess risks to develop proper compliance strategies
- Identify issues that merit a further investigation
- File compliance reports with regulatory agencies, including, but not exclusively, the VA
- Ensure that software technology is in place for compliance checks
- Act as a confidential point of contact (POC) for employees to communicate dilemmas and potential irregularities
- Document the compliance process from the reception of complaints to the final outcome of the investigation

Required Minimum Qualification

- Bachelor's Degree in related field
- 5-10 years of experience in the compliance process
- Ability to interpret security data and processes to identify present and future compliance issues
- Excellent verbal and written communication skills

In addition, U.S Citizenship is required. Applicants selected will be subject to a government security investigation and must meet eligibility requirements for access to classified information and be able to obtain a government-granted security clearance. Individuals may also be subject to a background investigation including, but not limited to criminal history, employment and education verification, drug testing, and creditworthiness.

Favor TechConsulting is an Equal Opportunity Employer. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, national origin, marital status, disability, veteran status, sexual orientation, or genetic information.
